FOREWORD

GET ON YOUR MARK . . . The class of '55 presents, to the student body and faculty, the 1955 Aeolian filled with memories, pictures, and faces of those "on their mark."

GET SET . . . Now, all of you are set, waiting for the signal. Some of you are set for your first dance, to participate in your first ball game; some of you are set to prepare and attend your first Banquet, to try out for the class play; and you Seniors are set to join the world as adults.

GO . . . The future will bring new faces and changes to the movements of Garrett High School, but you will have this record of the friends you knew and the things you did. This 1955 Aeolian is now yours to enjoy, and its contents are yours to relive as the hands of the clock change the hours and days into years.

Y-TEENS . . . Kindness is the sunshine in which virtue grows

*"We, the younger generation
Are striving now to build a better world.*

*Peace and unity, freedom and brotherhood,
These we have set to be our goal."*

The above excerpt from the Y-Teen song describes the personality of the Y-Teen club throughout the world. Many races and creeds from 65 nations belong to Y-Teens, a daughter of the Y.W.C.A.

The club's purposes are to grow as individuals and render Christian services. These purposes are covered by the club's activities. These activities lie in four general areas: social, community service, fund raising, and cultural.

The semi-formal party "Winter Wonderland" at which Y-Teens and escorts partied and danced, and the Y-Teen-Hi-Y halloween party during regular Wednesday club time both fall into the social area.

Furnishing and decorating a Christmas tree for the Convalescent Home was one community project. Favors were also provided.

For the first time Y-Teens published a paper for their members. Sue Leggett was editor-in-chief of the Y-Wire. This was the largest cultural project.

With the co-operation of many, G.H.S. students enjoyed a Y-Teen-sponsored sandwich sale. This fund-raising project is an annual affair—one of the most popular in school.

The Y-Teen year ends with installation of new officers. This ritual is most inspiring and emphasizes the religious nature of Y-Teens.

BLUE TRIANGLE . . . Good service is a great enchantment

This year the Blue Triangle has been an active club. The club annually sells Christmas cards as its money-making project. This campaign was launched in the fall as usual and was a great success as usual.

As in the past few years, the Blue Triangle adopted Evryklia Ioannidou, a Greek war orphan through Foster Parents' Plan for War Orphans.

They give financial support and send letters and boxes of food and clothing to the thirteen year old girl.

The social highlight is the spring Mother-Daughter Party. This custom was started in 1925 when the club first formed.

For the first time the Student Council was under the sponsorship of a teacher. Always before the principal was the sponsor, but to lighten his load and for other reasons, Mrs. Schlecht was made advisor.

The Council was an active organization from the very beginning of the year when its members served as captains of the magazine-sale drive. They later sold iron-on initials and dangle bracelets as a fund-raising project.

During Education Week the Classroom Teachers' Association had a "Teachers at Home Night". The Student Council members served as guides, escorting parents on a tour of the building.

The Student Council carried out several projects to encourage school spirit. The first was planning and executing an introduction of the Railroaders at the first basketball game.

A little later, the organization sponsored a pep session. With the help of cheerleaders a skit "Cheerleaders from around the World" was presented. The Council also figured in a new type of pep session—the "Buzz session". The Council members and the teachers led a ten-minute discussion on basketball topics within the classrooms.

OFFICERS—Sitting: Patricia Miser, President; Robert Wiant, Vice President. Standing: Alice Faye Brand, Treasurer; Sue Ann Smith, Secretary.

LIBRARY CLUB

The Library Club under Mrs. Sweeney's direction, learned much about the working of a library and the care of books this year. The Library Club was revived last year after a long absence.

The librarians help students choose books, find material for teachers, and keep the shelves in order. These duties along with checking incoming and outgoing books keep the librarians and Mrs. Sweeney busy. Their work is of great service to the school.

Sitting: Eleanor Bowes, Johanna Heinzerling, Beverly Schurr. Standing: Carole Swander, Patricia Ridenour, Mrs. Sweeney, Dorothy Carper, Rae Ann Trainer.

OPERATORS CLUB

The Operators' Club is in its infancy around school. This is just its second year. This club is organized to teach boys how to run the special equipment that the school owns, like projectors, phonographs, and other audio-visual aids. The club might well be called the Room 4 club.

This is a local club whose main purpose is to have boys who can run the machines and thus relieve the teacher of this job, allowing them to concentrate on explaining the pictures or story and maintaining order if necessary.

Front row: Thomas Guthrie, Adrian Thompson, Thomas Farrington, Dick Rowe, Fred Knott. Second row: Daryl Severson, Harold Nott, Tad Schmidt, Ronald Grove, Tom Ely. Third row: Darrell Thompson, Stephen Gaw, Larry Getts, David Lankard, David Ober, Richard Hays.

Fifth row: Ernest Barrett, Daniel Hutton, Michael Manges, Jerry Arrants, Eugene Barrett.

SCOUT CLUB . . . *To be prepared is half the victory*

The activities of the Scout Club were limited this year because of the loss of the use of the shop as its meeting place. This put a stop to work on activity merit badge, which requires work in leathercraft, woodwork, etc.

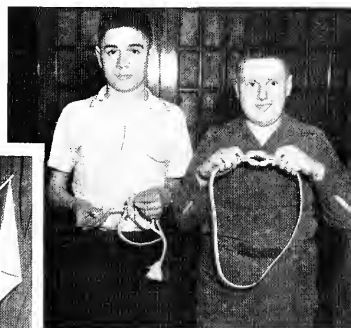

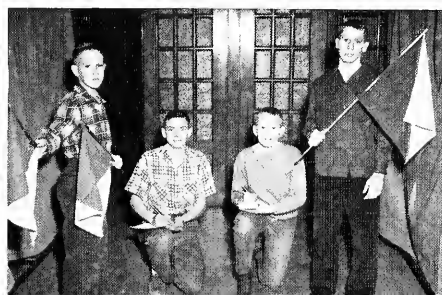

However, the club members have worked on other badges and have made much progress. Eighteen have earned the Safety merit badge. The boys are hoping to work on the Personal Fitness, Athletics, Citizenship, and Public Health merit badges yet this year.

The members of the High School Scout Club are also members of the Garrett Boy Scout Troop. Because these boys are members of the Garrett Scout Troops, they participate in the Deep Freeze and the Klondike Derby that are held each winter. The Deep Freeze is a day and night affair held at Pokagon State Park for the Explorer Scouts. The Klondike Derby is for the Boy Scouts. It is just a day meet and this year was held at a park near Albion. Each of the Garrett Troops had several patrols attend the Klondike Derby.

F.F.A. . . . Each man reaps his own farm.

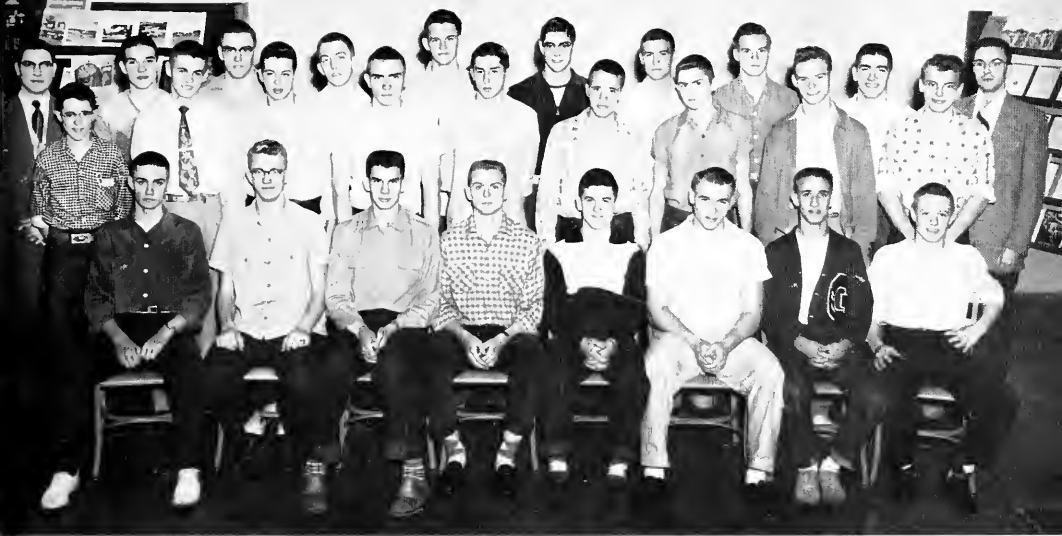

"Learning to do, Doing to learn, Earning to live, Living to serve" is the motto FFA members live by. FFA is a national club of agriculture students who are the future farmers of America, as the name FFA indicates.

This year the FFA sponsored some money-making projects. Their main project was selling milk to students. The club also sold garden seeds and basketball schedule pencils. Then on March 8 the club sponsored jointly with the Lions Club the annual Donkey Basketball game.

This club is one of the most active in school. Besides carrying out money-making projects, the members of the club entered several contests that are sponsored by the state organization to encourage boys to work harder. Five of the members are trying for a Hoosier Farmer Degree, the highest state honor a boy can win.

HI-Y . . . To him that lives well every form of life is good

Hi-Y is a nation-wide high school youth movement working for a Christian democracy. The purpose of Hi-Y is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character." The platform is "Clean Living, Clean Speech, Clean Sports, Clean Scholarship." The Hi-Y club is an organization of high school boys in our school committed to the Hi-Y purpose and developing a stimulating program aimed to carry forward that purpose.

This year the Hi-Y sponsored three money-making projects. At the first of the year, they sold basketball pins. Near Christmas the club sold candy. This project was a great success.

The Valentine dance was a money maker and also the Hi-Y social party of the year. Couples from high school level attended in semi-formal attire. The "Queen of Hearts" was selected by voting which was held prior to the dance.

OFFICERS—Don Potter, Vice President; Leonard Vanderbosch, Secretary; William Starner, President; Kenneth Severson, Treasurer.

However, Virginia Souder was chosen as editor-in-chief last spring and other preliminary work was done long before the motion was passed. The staff was chosen and began to work. The job each had to do was important in making the 1955 Aeolian one which covered well the happenings in G.H.S.

The band has now grown into a major organization supported by the school with 61 members and a full time instructor. The band made eight appearances beside playing at all home football and basketball games.

The present organization is both a concert and a marching band. It marched for the DeKalb County Fair, the Bluffton Fair, the local Armistice Day program, the local Halloween parade, and home football games.

The Music Department has grown to the point that this year for the first time the band and choruses each presented a spring concert independently.

Not only the band itself has grown, but the members as individuals also grew. In fact, they out-grew and out-wore the blue and gold uniforms. New maroon and grey uniforms were purchased as the result of a project launched by the Band Parents' organization two years ago.

It's a woman's world

Girls' Athletic Association is an organization of high school girls interested in participation in sports. Teams are chosen for a round-robin tournament first for volleyball and then for basketball. At the end of each of these tournaments a class tourney is held.

JUNIOR-SENIOR BANQUET . . . loveliest night of the year

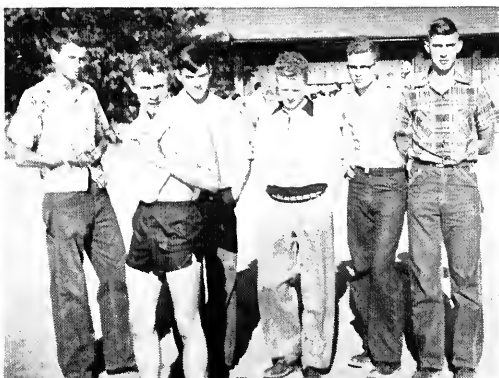

Friday evening, May 14, 1954, juniors, seniors and faculty entered into the land "South of the Border" sponsored by the hard-working juniors in honor of the seniors. After the banquet, the Elks sponsored a square dance, the Gala Theatre provided a double feature, the merchants donated prizes for a drawing, and the Eagles furnished the breakfast.

JUNIOR-SENIOR PICNIC . . . Fun, Food, Frolic

As a return party for the banquet, seniors played hosts to juniors at a pot-luck picnic at Pokagon State Park. There was food aplenty for all, softball for those who wished, and swimming in one way or another for most.

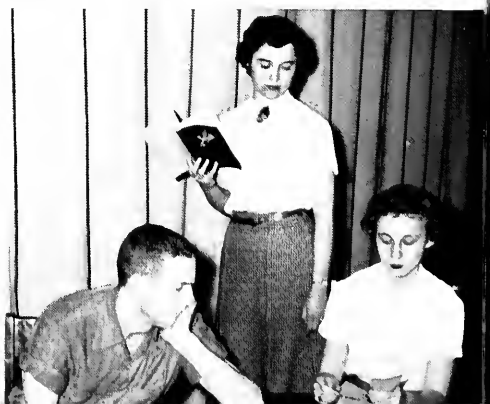

SENIOR CLASS PLAY . . .

"Down to Earth"

On March 31 and April 1, the Seniors presented the three-act comedy "Down to Earth."

1. Dorothy Carper, "Millie," looks on admiringly while Leonard Vanderbosch "Baxter" practices looking like an inventor.
2. Alice Faye Brand "June" warms up her indignation while William Starner "Richard" rehearses an explaining attitude.
3. Virginia Souder and Conrad Cooper angels "Agnes" and "Wilfred" try to see how a halo would look on Robert Prinzing, angel-candidate "Pilone."
4. Reba Knapp, the ambitious "Orpha," tries to interest her daughter, Nancy Jackson, "Ruthie" in the rich hypocondriac, Alan LaRue, "Robert," who carries an alarm clock so he'll know when to take his medicine.
5. Georgia Zoll studies the lines of "Diana," the maid who becomes an angel right before your eyes. Nancy Sithen, "Augusta," who doesn't want to go to heaven, counts her money. Gerald Bowmar, "Herman," who does want to go to heaven . . . now.

JUNIOR CLASS ACTIVITIES . . . Hard work brings great rewards

The Junior Class is one of the most active groups in Garrett High School. Their first project is the selection and ordering of class rings. Juniors sell concessions at football and basketball games, and in the hall at morning, noon and afternoon. They sponsor after-home-game dances.

The profits from these activities are used to finance the Banquet . . . the highlight of the social year for which Juniors may take a bow. After all, who could take a trip "Around the World in Three Hours."

Miss Evard

Every fall students of Garrett High School turn salesmen for two weeks for the Magazine Subscription drive. The students are divided into two teams and for ten days the school is a place of great activity and excitement. Many prizes are given for team and individual efforts. The profits are used to bring special professional talent for assembly programs, and to purchase something for the school. This year the magazine profits were used for basketball equipment for the auditorium and the rest set aside for the purchase of a television set.

GRID SEASON RESUME

NEW HAVEN—34 GARRETT—6

Last year's N.E.I.A.C. champs started right where they left off, as they pushed the Railroaders up and down the field with long passes and brilliant runs. Garrett couldn't get anything started and were defeated 34-6.

KENDALLVILLE—7 GARRETT—40

This game proved to be no contest as the Railroaders scored almost at will. Although reserves played much of the game, the final score still mounted to 40-7 in favor of Garrett.

DECATUR—6 GARRETT—20

The Railroaders journeyed to Decatur to take on the winless Yellowjackets and came home on the long end of a 20-6 score. The game was closer than expected and featured a goal-line stand by the Railroaders on their six-inch line. This victory evened up Garrett's conference record at 1-1.

FAIRMOUNT—0 GARRETT—27

This ball game was all Garrett. Fairmount failed to show the slightest sign of an offense and the Railroaders ran wild. The final of 27-0 could have been much higher, but once again Coach Capin let his reserves pick up valuable game experience.

COLUMBIA CITY—6 GARRETT—6

The Railroaders and the Eagles fought each other to a standstill in this bruising encounter. Although the final score was 6-6, the Eagle's touchdown was somewhat of a fluke. An alert Columbia City back plucked the pigskin from the arms of a touchdown bound Railroader and raced 86 yards to score for the Eagles.

BLUFFTON—0 GARRETT—26

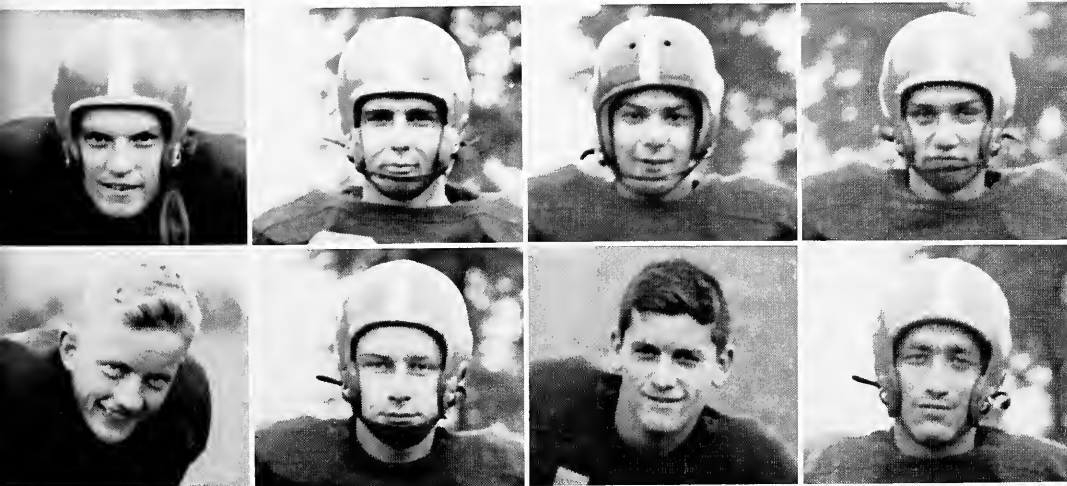

This game was probably the brightest spot of the entire year for the Garrett squad and followers. The Railroaders were never better as they trounced a well-regarded Bluffton team 26-0. Excellent blocking and vicious tackling by the Railroaders enabled the Garrett team to send the Tigers home a completely beaten team.

CONCORDIA—12 GARRETT—33

The most outstanding feature of this game was the Railroaders fight and spirit. This same spirit, present all season, really came to the front this time and enabled the Railroaders to sweep the Cadets off their feet with a whirlwind last half rally. The final score was 33-12.

AUBURN—13 GARRETT—7

The Railroaders, seeking their first victory over the Red Devils in eleven years almost did it this time. A slip on the 8 yard line cost the Railroaders a tie and a possible victory. The Red Devils finished a perfect season by squeezing past the fired-up Railroaders 13-7. Garrett finished the season with a 5 won and 2 lost, 1 tie.

The Garrett Railroaders, under the experienced coaching of Ward Smith, had their most successful season in recent years as they won 17 games and lost 6. Garrett also won the Holiday Tourney held at Fremont, defeating Butler and Angola.

Another outstanding accomplishment of the '54-'55 Railroad squad was the winning of the North Eastern Indiana Conference championship. Garrett racked up a 5-1 record in conference play, losing only to Bluffton. This championship was Garrett's first in 30 years.

The N.E.I.C. champs then steamed into the sectional where they were defeated in the semi-finals by Angola in a hectic 56-55 thriller. Previous to this defeat Garrett had downed Scott Center and Fremont, both of whom had compiled good season's records.

The Railroaders were undefeated on their home floor in 9 starts. Next year's squad already shows great promise as 6 lettermen return to form a good nucleus for another winning season.
